

OFFICE SAFETY PRECAUTIONS IN EFFECT DURING THE PANDEMIC

PRA is taking the following precautions to protect our patients and help slow the spread of coronavirus.

- Office seating in the waiting room and in individual offices has been arranged for appropriate physical distancing.
- All staff and clinicians wear masks.
- Staff and clinicians will maintain safe distancing.
- Restroom soap dispensers are maintained, and everyone is encouraged to wash their hands.
- Hand sanitizer that contains at least 60% alcohol is available in the waiting room, front desk area, doors leading to offices and individual offices.
- We schedule appointments at specific intervals to minimize the number of people in the waiting room.
- We ask that you arrive no earlier than 5 minutes before your appointment time.
- We ask that you work with office staff or clinician to have a credit card on file to avoid having to exchange payment at time of service. PRA offers pay online feature by going to www.prapsych.com and clicking the PAY NOW button.
- Physical contact – hand shaking, hugging etc. are not permitted.
- Tissues and trash bins are easily accessed. Trash is disposed of nightly.
- Common areas are thoroughly disinfected throughout the date and individual clinician offices are disinfected between patients.
- We ask that only those individuals that are required to attend your session come to appointments so we can plan appointments accordingly and minimize guests in our waiting room.
- Prescreening questions will be asked by staff prior to appointments along with temperature checks.
